

District 127 Orange CA Diocese
District Doings Dec 2014
Wally Drazba District Governor

This is the last of our messages this year. We thank Matt Ivary and the City Club for the well done reception for the Altar Servers Recognition Mass and reception. Mary Osinga does a marvelous job of coordinating this project, thank you Mary from all Serrans. In many parts of our country, this job is done by Serrans; here we depend on Fr Money Penny and Mary Osinga.

This past month there were two events associated with the "Year of Consecrated Life". The first was the showing of the DVD "Women and Spirit" at Christ's Cathedral. The City club helped with a small reception before the showing. The second event was the Vesper Service held at Holy Family Cathedral led by Bishop Vann on Nov 21st. There will be one more showing of the DVD this year on Dec 15. It is worth a few hours of your time. Check out www.serraoc.org website under current events for more information.

Thank you all for your devotion to promoting vocations. Enjoy the Christmas holidays, and keep thinking of how else you can help. Merry Christmas to all.

Wally Drazba
